Meet the European construction companies

FOR ARCH 2016

22nd September 2016, Praha, Czech Republic

matchmaking
business meetings

FOR ARCH - with more than 25-year-long tradition - is the biggest and the most attended fair in building sector in the Czech Republic. The trade fair presents all building sectors, such as construction delivery, tool trades and technologies, building materials and products, building machines, building constructions, construction equipment and similar.

Target fields:

- Architectonic, design and construction engineering services
- Construction of buildings
- Building installation work
- Electrical installation
- Tiling and bricklaying
- Floors, roofs, painting
- Manufacture of windows, doors and stairs
- Heating, chimney structures, air conditioning
- Construction materials
- Maintenance, renovation and modernisation
- Sustainable constructions and Green buildings
- Swimming pools & sauna
- Restoration and cultural heritage
- Transport & logistics
- Others

Here is how it works:

- apply and fill-in your cooperation profile at <http://forarch2016.talkb2b.net/>
- choose partners to meet among other participants
- arrange your meetings
- meet them at FOR ARCH fair - the meetings take about 25 minutes each.

Fees: the event is **free of charge** - the participants receive also free entrance tickets for the fair, there will be a small refreshment ready for you.

Websites of the fair <http://forarch.cz/en/>

Registration deadline: 20th August 2016 via <http://forarch2016.talkb2b.net/>

Date and venue: 22nd September 2016 at PVA Expo Prague, Praha – Letňany, Czech Republic

Simultaneously with **FOR ARCH**, there will be held also trade fairs **FOR THERM** (heating, alternative sources of energy and air conditioning), **FOR WOOD** (wooden buildings and utilisation of wood for construction), **BAZÉNY, SAUNY & SPA** (swimming pools, pools technology and saunas) and **FOR STAV** (building chemicals, protective clothing and equipment).
