The UN-IRMCT is seeking Expressions of Interest (EOI) from qualified vendors for Request for Proposal (RFP) it intends to issue for the supply, implementation and maintenance of a commercial off the shelf Archival Collection Management System (Datenarchivierungssystem) which supports compliance with a range of common archival data structures and content standards, including ISAD(G), ISAAR(CPF) and EAD. The System shall be capable of supporting all functions and activities associated with the management of archives (including: appraisal, accessioning, arrangement, description and preservation, as well as provision of access to the records). The System shall also integrate with the existing UN-IRMCT OAIS compliant digital preservation system in a manner that allows synchronisation of descriptive hierarchies and bidirectional flow of data.	https://www.ungm.org/Public/Notice/79825	Niederlande	UN Sekretariat	EOI	22.11.2018
