TRIESTE

16-18 OCTOBER 2019

MAGAZZINO MOLO IV

THE VALUE OF HEALTH, HEALTH AS A VALUE

Trieste is hosting the sixth **Meet in Italy for Life Sciences** – MIT4LS2019, the leading national conference and matchmaking event for Life Sciences.

The event will present the latest innovations in the **Biotech** field – genomics, epigenomics, biopharmaceutics and nutraceutics – and in the **Medtech** and **e-Health** sectors with insights into services and related activities.

Come and meet the leading players in the Life Sciences world.
