

**Anlage G**

**Registration pursuant to section 3 of the COVID Regulation on entering Austria  
(COVID-19-Einreise V 2022)**

I have been in a **country or region with very high epidemiological risk (appendix 1, section 5)** within the last ten days and therefore provide the following data:

First and surname: .....

Date of birth: .....

Permanent or temporary residential address or – if different – location of quarantine in Austria:  
.....  
.....

Contact details (telephone number, email address): .....  
.....

Country or region of departure: .....

I spent time in the following countries during the past 10 days: .....  
.....

Date of entry: .....

Date of exit (if known): .....

I have a certificate of low epidemiological risk (vaccination, recovery or test).

I shall immediately enter a ten-day quarantine. The quarantine is considered to be terminated if a molecular biological test or antigen test for SARS-CoV-2 is carried out at the earliest on the fifth day after entry, the result of which is negative.

(Exception: **no quarantine obligation** for persons listed in **section 5 par. 3**).

**Date** ..... **Signature** .....

Details provided will be sent to the local authority with responsibility for the place of residence/quarantine and will be destroyed 28 days after the date of entry.
