[www.facebook.com/fruvin](http://www.facebook.com/fruvin)

## Mission statement

*The favorable geographic position, quality of soil, vicinity of the Danube River and reflection of the sunrays from the Danube's surface make the grapes here ripen earlier and hold 1-2% more sugar, as compared to other winemaking regions of Vojvodina. The enthusiasm, grand vision and primarily the affection towards wine and vineyards have enticed the vinery's founders to launch their winemaking story, while all the aforesaid made them do it in precisely in Banoštor.*

## Short company description

Fruškogorski Vinogradi are situated on the slopes of the Fruška Gora Mountain. Due to the favourable geographic position and the vicinity of the Danube River, but above all the knowledge and commitment, the wines have a recognizable taste and the pronounced characteristics of the Fruška Gora Mountain terroir are produced.
