

1st CALL FOR EXPERTS

GET INVOLVED & BECOME A “TIGER” EXPERT!

What is it about?

The TIGER PROJECT team is glad to invite independent experts to become part of the **TIGER Expert Pool**. As an expert pool member you will contribute, with your knowledge and expertise, to the development of services that will benefit SMEs working on new solutions for remote and elderly care and assistance. You will be involved in one or more online exchange workshops. For the active contribution to the exchange workshops, a financial compensation is also foreseen.

Who can apply?

TIGER Experts will be selected by the TIGER project team according to the following criteria:

Natural persons (or organisations)

fluently speaking and writing English

with expertise in one (or preferably several) of these fields of expertise (non-exhaustive list)

- health,
- elderly care,
- e-health,
- m-health,
- ICT for health,
- digital transition
- innovation
- support programs and acceleration processes
- entrepreneurship

Experts will typically come from companies, service providers, healthcare providers, insurances, medical professionals, target group organizations etc.

Level of involvement

All appointed experts will be asked to sign a letter of commitment specifying their involvement and compensation. Their primary role will consist of participating in an online Expert Pool Kick-off Meeting and online exchange workshops, where TIGER services will be co-designed, tested, and validated.

Application Deadline: 03 March, 2025.

Selected experts will be informed end of March 2025 the latest.
