Association of Employment Providers of the Philippines, Inc.

***“Integrity in Recruitment, Dignity in Employment.”***

**Europe Business Mission 2025**

Warmest greetings to the EC-ANZAEPP and all esteemed members participating in this goodwill mission to Europe.

Your initiative, undertaken in collaboration with Advantage Austria, our Migrant Workers Offices (MWOs) in Austria and Prague, Czech Trade Philippines, and the Czech Chamber of Commerce, is a testament to the strength of our global partnerships and the shared commitment to advancing ethical and mutually beneficial business engagements.

The Department of Migrant Workers (DMW) greatly values our collaboration with EC-ANZAEPP in championing the welfare and empowerment of overseas Filipino workers (OFWs). Through your efforts, we reinforce the critical role of labor diplomacy in expanding opportunities for our workers while ensuring their rights, dignity, and professional growth remain paramount. Your mission also aligns with our broader objectives of fostering sustainable employment pathways, particularly in high-demand sectors such as healthcare, skilled trades, and emerging industries across Europe.

As you embark on this journey, may you continue to uphold the principles of integrity, innovation, and inclusivity in all your endeavors. Together, we can further strengthen the bridges between the Philippines and our European partners—bridges that not only facilitate business but also create meaningful opportunities for our OFWs.

On behalf of the DMW, I extend my best wishes for the success of your goodwill mission and look forward to deepening our collaboration in the years ahead.

**Hon. Atty. Patricia Yvonne "PY" Caunan**  
**Undersecretary for Policy and International Cooperation**
